

## Directions to Hornet Sailing Club marina

Exocet is berthed at the Hornet Sailing Club marina (Hornet) at **Gosport**, Hants. The postal code for the marina is **PO12 2AQ**. Hornet is part of the Joint Services Adventurous Sail Training Centre (JSASTC).

By car, exit the M27 at Junction 11. From there follow signs to Gosport along the **A32**. After about 3 miles, in which you will pass by DARA Fleetlands and numerous traffic lights, you will reach a pair of small roundabouts at Fort Brockhurst. Turn right at the second of these roundabouts, picking up military signs to **JSASTC**. This will lead you along Military road, past HMS Sultan with its two brick forts.

At the next roundabout (public house, "The Cocked Hat") turn left and after a mile there is a small one-way system. Follow the road around to the right, then turn left immediately into South street (sign-posted Town Centre.) Pass by Morrisons Superstore (on your left) and turn right at the George and Dragon public house (difficult to see) into Haslar road.

After 400 yards, with **Haslar Marina** complex on both sides, proceed over the single carriageway bridge (traffic lights either end) and turn right immediately at the end of the bridge into the JSASTC/Hornet car park.

At the gate into the car park, a Security Guard will ask for your name and you should inform him that you have come to sail on *Exocet*.

Due to traffic congestion, you should expect to take at least 30 minutes to reach Hornet from the M27.
